

# 24/7/365 \$0 Telemedicine

## Telemedicine benefits

When you need to connect with a medical provider after-hours or when you're away from home, consider your 24/7/365 telemedicine no-cost benefit.

This is a great option for symptoms like a cough, sore throat or sinus problems that may not require an in-person visit.

- U.S. board-certified physicians
  - ▶ On call anytime, anywhere
  - ▶ Multilingual availability
- Nationwide network
- 100% HIPAA compliant

## Activate your account today before you need it

Pre-register each dependent on your health plan to be ready to access Telemedicine care.

- 1 Activate your account to schedule by visiting [www.careatc.com/activate](http://www.careatc.com/activate) or by downloading the CareATC app and following the "New here?" prompts.
- 2 Click Telemedicine and register your personal info in order to start a consultation with one of the telemedicine network physicians.

## Three ways to schedule

- ☎ 877.230.9404 (hablamos español)
- 💻 [www.careatc.com/patients](http://www.careatc.com/patients)
- 📱 CareATC app
