

You can **SAVE BIG** with CareATC

Your no-cost resource for everyday care—available because you're enrolled in the Decatur health plan. It complements your benefits by offering \$0 checkups, illness care, and chronic condition support.

	Preventive Visits	Non-Preventive Provider Visits	Labs	Behavioral Health Visits
Horizon Health Plan	\$0	\$0	\$0	\$0
HSA Plan	\$0	\$45 / \$0 after the deductible	\$10 / \$0 after the deductible	First 5 visits \$0. \$45 ongoing until deductible is met.

Where to go for care.

Where you get your health care may make a big difference in how much you pay for services. Hospitals are the most expensive locations for outpatient diagnostic services and care. Get the same quality of care and pay less by using an independent lab or imaging center, and the CareATC Health & Wellness Center.
