Urgent

EPO-Low Plan/
HPN Copay Plan

\$50 Copay

HDHP Plans (EPO/HPN)
Subject to \$3,300 Deductible

Medical care for injuries and sicknesses that require immediate attention but are not life-threatening, with no appointment needed. Open after normal business hours and on weekends.

Emergency Room

EPO-Low Plan/
HPN Copay Plan

Subject to \$2500 Deductible

\$500 Copay*

HDHP Plans (EPO/HPN)
Subject to \$3,300 Deductible

Medical care for serious or life-threatening situations that need immediate care - open 24/7, no appointment needed. The ER is not the right place for routine checkups or minor issues. In a real emergency, don't wait - call 911 right away.

CareATC Primary Care

\$0 COST

Preventive Care
Routine On-site Labs
Routine Preventative Meds

\$15

Primary Care
Chronic Disease Management

Primary care for disease prevention, chronic disease management, and care for illnesses or injury. No cost labs and generic medications provided at time of visit.

*\$500 ER copay waived if true emergency

Where to go for care.

Where you get your health care may make a big difference in how much you pay for services. Hospitals are the most expensive locations for outpatient diagnostic services and care. Get the same quality of care and pay less by using an independent lab or imaging center, and the CareATC Health & Wellness Center.

CareATC Health & Wellness Center

Check ups, illness,
and chronic care
