

Access to 24/7

# Telemedicine

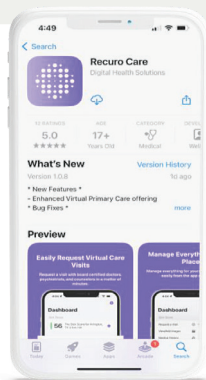

Telemedicine is a great solution when you need expert care and guidance - fast.

Get unlimited 24/7 access with the touch of a button for you and your family.

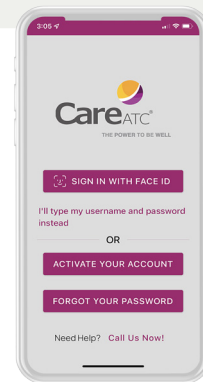

## Step 1

Go to the app store (iOS or Android) and search for "Recuro Care" and download the app. Don't worry about logging in just yet.

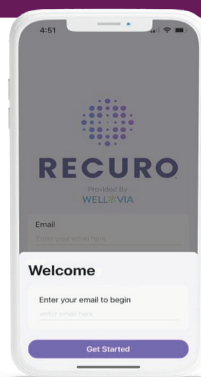

## Step 2

Next, download the CareATC app. Follow the prompts to verify your identity and set up your account.

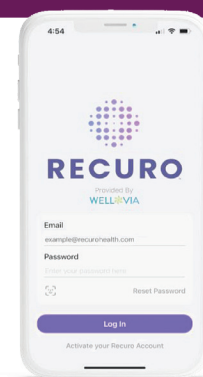

## Step 3

In the CareATC app, select "Access Telemedicine" and then select "Start a Telemedicine Visit." The Recuro Care app will open.

## Step 4

Confirm your account information in the Recuro Care app and begin using services!

Get peace of mind by preparing for the unexpected. **Download the CareATC app** to access telemedicine 24/7. Telemedicine is also available 24/7 by phone at **877.230.9404** and in the CareATC Patient Portal at [www.careatc.com/patients](http://www.careatc.com/patients).

served by

*Note: In order to access Telemedicine serviced by Recuro Health, you must first log into the CareATC app. Members on the PPO HSA Health Plan will have a \$45 fee for telemedicine visits until your out-of-pocket deductible is met. Once your out-of-pocket deductible is met, there will be \$0 fee. Members on the PPO Health Plan will have a \$0 fee for all telemedicine visits.*
