

BETTER HEALTH. ZERO COST.

Your employer values the health of you and your family. That's why they've chosen to provide you with zero-cost access to primary medical care, provided by CareATC®.

You work hard at your job and you deserve great benefits. Employees and dependents enrolled in the medical plan have zero-cost access to acute and preventive medical care, as often as you need it.

Visit your CareATC® clinic for:

Unexpected Illness or Injuries

Your employer understands that illness and injury are just part of life. To help get you and your family up to speed faster, CareATC® offers convenient appointments, and dispenses prescriptions on-site for a hassle free healthcare experience.

Preventive Medicine

Chronic illness can be frustrating and difficult to manage. Your CareATC® physician will provide you with personal and proactive diagnosis, as well as on-going treatment. All free of charge.

Lifestyle Change

Lifestyle changes take time and require support. Your CareATC® provider will help you make a plan and be a support system that will prepare you for success.

Good Health Maintenance

Health is the essential building block of all human activity. Your CareATC® provider will utilize preventative medicine and screenings to help keep your health moving in the right direction.
